Landscape Architecture Project Manager

Experience Level: 5-10 years | Location: Cincinnat, OH

The landscape architect project manager will support our Landscape Architecture Department by providing research, design/construction drawings, presentation graphics, construction administration services, and assist our clients to realize their vision. A passion for design, an eagerness to learn, a collaborative spirit, and a possession of exceptional communication skills are essential to be effective in this role.

Position Requirements
- Bachelor's or Master's Degree from an accredited institution with a degree in Landscape Architecture
- Proficiency identifying plants
- Working knowledge of native and adaptive plants
- Preferred proficiencies in the following:
  AutoCAD, Civil 3D, Adobe Creative Suite, ArcMap, Sketchup, digital graphic tablets, and hand graphics
- Demonstrated ability to create presentation graphics utilizing electronic media and/or hand generated sketches

Position Qualifications
- Support multiple projects with deadlines in a fast-paced office environment
- Communicate effectively with clients and design team members
- Attend and contribute to public presentations on behalf of the design team and client
- Guide projects through the approval process for local jurisdictions
- Evaluating site conditions including infrastructure, access, environmental considerations, natural aspects, soils, and other factors impacting a site
- Interpreting jurisdictional regulations and applying them to projects
- Translate ideas from sketches and written/verbal instruction into complete and accurate working plans
- Organize, prioritize, and perform work assignments individually and/or in group environments
- Possess a professional Landscape Architecture license
- Project Finance - proposals and budgeting
- Project Planning - scheduling and task management

Bayer Becker is an Equal Opportunity Employer

bayer becker

why bayer becker?

get what you deserve
Compensation starts with a market-competitive salary, but we offer benefits that have real value – benefits that mean something to you. Your job is just one small part of who you are and our benefits aim to support more than just that. This includes medical, dental, vision, and life insurance for your physical health. For your financial well-being, we provide 401K with company match, HSA, and profit-sharing. We want you to continue to grow professionally so we offer Bayer Becker University, paid professional development, and tuition assistance. And for everything else – we offer paid time off (PTO), parental leave, short term disability, and ten paid holidays. You're worth it.

we're a family
We started as a family owned business in 1967 and we've been growing that family ever since. The kind of family that supports your ideas, celebrates your weird stuff, cares about you, and wants to see you succeed in your own way. The Bayer Becker family is approachable and down to earth - all of the brains without the ego. We are proud of our flexible and casual work style. It's how we do our best work. If you're tired of your office and ready for a workplace, our family's always here.

a trusted & sturdy foundation
Since 1967, Bayer Becker has provided the highest quality professional design services for the land development industry in Greater Cincinnati area. We are committed to excellence and providing our employees with an opportunity to work on impactful projects as part of a highly skilled and dynamic team. Here, you'll work with the latest technology and have the resources you need to get the job done right.

shape your community
As a Landscape Arcitecture Project Manager with Bayer Becker, you have the unique position to help shape the development of communities in Greater Cincinnati. The region is growing faster than ever. Now is your chance to be a part of that growth. Leave your mark!
