

Verst Logistics

Hebron, KY

Verst Group Logistics offers fully integrated packaging, warehousing, transportation, and logistics services for industries as diverse as food and grocery, automotive, health and beauty products and building materials. To accommodate their rapid growth at their Hebron facility, Miller Valentine Group and Bayer Becker designed an expansion that doubled the size of the existing 200,000 square foot facility. The expansion was not limited to just an increase in facilities, but added 25 new jobs to the area. The expanded Hebron facility achieved U.S. Green Building Council LEED Silver status as an environmentally sustainable building, furthering Verst's sustainability initiatives and practices.
